1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college offers 3 U.G. B.lib M.lib and B.A (Y.C.M.O.U) courses and one skill development certificate course in Soil Testing and Fertilizer recommendation. From the session 2010-11 Home Science, 2016-17 B.Sc (Non grant) and 2017-18 First year BA (Semester pattern) has been introduced. The curriculum has been restricted by the parent university. The college has a mechanism for effective documented curriculum delivery. Besides traditional lectures and seminars, infrastructure for the use of ICT in classrooms, like power point presentation, green boards & audio visual support are all available for the students. Tutorials are held with mentoring and participative learning encouraged. Internal assessment is done transparently with examined scripts shown to the students. Inter personal skills are enhanced through value education. The faculty member of the Dept. of Co-operation has been working as a chairperson on the board of studies of the parent university and contributing to curriculum restructuring Based on the performance of the students, remedial coaching classes are conducted for slow learners. College administration also keeps a vigilant eye on the results. The Governing Body of the college sits with the teaching faculty and evaluates the result of every end term examination and after receiving an adequate feedback from all concerned, a concrete decision is taken together as on how to improve and go about with the next academic session.

Feedback Obtained

To make the delivery of the curriculum enabling and interesting feedback was taken annually by various stakeholders in our college. It includes students, teachers, alumni and parents. Feedback questionnaire is prepared by college IQAC Committee. Students- As per the students demand the library hours should be increased for their self study. They also suggested that number of library books are not sufficient. Some of the laboratory equipments are not working properly. Need of LCD projectors in all class rooms The assignments should be given in the beginning of each unit. Action Taken- Library timing extended for self study and more books are added for variety of subjects. The concerned departmental head will make sure that all the laboratory equipments are in working condition. Portable LCD projectors are available in each department. All the faculties are instructed to give all the assignment questions before the beginning of the unit. Teachers The structural questionnaire is filled by the students of all the subject teachers. The filled questionnaire should be collected, tabulated and statistically analyzed for quality enhancement in teaching methodology. Teachers should clarify to the principal on their poor responses. A self-appraisal is filled by each teacher. Action Taken - The principal intervene and addresses on possible areas of improvement such as teaching methodology or research areas. The principal also evaluate these with each teacher, motivating them to look at specific area where growth is needed. Alumni- Overall alumni have suggested that the institute should focus on improving communication skills, personality development, self motivation confidence and good mentoring. Alumni suggested that the library facilities need to be improved by adding manuscripts and reference books Action Taken - Institution has been provided with library facility to access research papers and seminars are arranged in institute. Parents - Quality of curriculum methodology of delivering education should be enhanced by skill oriented programmes, which enable students to start their own business. By this curriculum students are enabled to get through competitive examinations. Action taken- The institute advises facilities for using video lectures, skill oriented workshops, power point presentation, seminars for effective learning

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best practice-I Title:- Matoshree Vimalabai Deshmukh Smruti Annapurna Yojana. Goals:- 1) To make available nutritious food to the patients of Dr. Panjabrao Deshmukh Medical College Hospital. 2) To implement the teaching of great Sant Gadge Baba, i.e Food for the hungry. 3) To help reduce financial burden of patients. 4) To create social awareness among the students. 5) To create esthetic relation between students and staff of the institution 6) To fulfill the dreams of great pioneer of society, Dr. Panjabrao Deshmukh. Context:- Dr. Panjabrao Deshmukh Medical College and Hospital is run by Shri Shivaji Education society Amravati. The patients admitted to this hospital are mostly financially backward and few even belong to below poverty line families. These patients have to stay in the hospital during their treatment period. During their stay the concern for their food and meal arises. Without any grant from the Govt. it is difficult for the patients to arrange their own food meals. So to solve this problem Matoshree Vimalabai Deshmukh Mahavidyalaya was chosen by the council of Shri Shivaji Education Society to implement the Annapurna Scheme, to provide food and help the needy patients. Programme Conducted:- It was decided that all the staff members would contribute for the scheme. Days were allotted to the staff members. As per the tme table prepared, each member would contribute the fund and distribute the meal to the patients, with the help of students, in the hospital. The scheme was inaugurated On 3rd Sept. 2018 by Shri. Harshavardhan Deshmukh, president Shri Shivaji Education Society, Amravati, and Dr. Sanyogita Deshmukh, Principal of our college by offering food to the patients. The scheme is continuously operated since then by all the Colleges and Schools run by Shri Shivaji Education Society. Out Come:- • Patients can get the nutritiou's food. • Helped to reduce the financial burden of the poor patients. • Created social awareness among the students and staff members. • Opportunity for the social work is created through this scheme, among all the participants. Problems encountered:- • Every day food was provided to a single ward, while more no. of patients were expecting the free food. Best Practice- 2 Title of Practice:- Visit to anganwadi centre- Bihali Objectives:- 1) To extend our services to the vulnerable group of society. 2) To have firsthand knowledge of the working of Anganwadi centers in remote areas. 3) To study the problems faced by the anganwadi supervisor and the children. 4) To suggest some corrective measures for the growth and development of children. 5) To take active participation in community service. Context- Anganwadi is a type of rural child care centre in India, started to combat

child hunger and nutrition. It also provides basic health care in a village. The anganwadi centre Bihali Tq. Chikhaldhara, Dist. Amravati that was selected by our college team is a remote place far away from urban area, having more no. of tribal population. It is the need of the hour, to extend our services and knowledge to the vulnerable group of society to spend some time with them to identify their problems they are facing and to suggest some corrective measures if possible. So with all this view in mind our college selected the place and decided to visit Bihali. Activity Conducted:- Our College team comprising of the college staff members visited the Anganwadi centre at Bihali, Tq. Chikhaldhara, Dist. Amravati, on 29th March 2019. The Anganwadi Supervisor Smt. Mangala Vidhale is the in charge of anganwadi. 30-35 children are enrolled there. Our staff team conducted various activities with the children. The activities included-

Sr No.	Name of Staff Member	Activity Conducted
1.	Dr. R. S. Kawale	Mr. V.R. Thakare
2.	Dr. M. M. Nandurkar	Mr. J. D. Sangode
3.	Dr. S. D. Thakare	Mrs. Archana Harne
4.	Smt. Sadhana Mohod	Dr. K. E. Chaudhari
5.	Ms. P. B. Bhamburkar	

Discussion with supervisor provided information on various NGO their working. Taught the students about advantages of traditional sports and outdoor games Taught Marathi songs-Budbadgeet to students. Educated the parents regarding money matters management. Taught English in a innovative way. Demonstrated some skill development activities. Conducted assessment of nutritional status of children. Taught the children about health and hygienic. Taught the importance of nutrition and diet in daily life. Now it is decided that this activity would be continued for the next session also. Outcome: - Lower nutritional status, illiteracy, poverty are the factors which hamper the growth and development of individuals and finally the progress of country. So the services rendered by our team in such area could help them to come out of it. • Anganwadi teacher the children enjoyed expressed happiness over the conduct of all the activities. • The need to conduct more no. of such activities, by us people is emphasized. • The sense of satisfaction that our team derived after the visit, is really noteworthy. Problems Encounters:- 1) Bihali being far away from Amravati, it is not easy to visit it frequently. 2) At the end of the day clothes stitched by the students B.Sc. (H.Sc.), some refreshment gift articles were distributed to the children.
