**VISIT TO CHILDREN HOME AND OBSERVATION CENTRE**

**REPORT**

Details:

Department of chemistry (Home Science) of Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati has organized a visit for Class B.Sc II year students to children home and observation center, Rukmini Nagar, Amravati on dated 26/11/2022.

A brief talk with the home superintendent:

While in talks with her, it was very evident that the staff of observation centre shares a special bond with the kids inside. During our talk, some interesting things were found. An Observation Home is a child-care facility that is "for the temporary reception, care, and rehabilitation of any kid claimed to violate the law, while an inquiry is pending." as per Section 47 of the JJ Act 2015, These children include orphans, abandoned, surrendered, and trafficked children, as well as children whose families are unable to care for them. Children in need of care and protection are put in places like children's homes, special homes. juveniles aged 16 to 18 years who are suspected of committing a heinous crime while the investigation is ongoing are also there. Two section of children was there. There were total 14 children was there. Out of which 11 from children home included orphans, abandoned, surrendered also whose families are unable to care for them and were school going.. And 3 children were who are suspected of committing a heinous crime are under observation.

Objectives:

- 1.To observe truly the children from observation center.
- 2.To realize the need and protection of children.
- 3.To understand the integrated child protection scheme with processing of Children home and Observation center.

Outcomes:

1. Visit can bring remarkable change in the knowledge of students on the issues of child protection and can be used as a tool in future.
2. Observes the significance of Children home and observation center.
