IQAC Co-ordinator, Adarsh Mahavidyalaya, Dhamangaon Railway, Dist. Amravati

About Conference

This national conference aims to bring together academicians, researchers, scientists, industry experts, and students from various disciplines to discuss emerging innovations that can contribute to building a sustainable, technologically advanced, and socially responsible future. The conference will provide a platform for knowledge exchange, interdisciplinary research discussions, and collaborative ideas across fields such as Arts, Commerce, Science, Technology, and Social Sciences. Participants will present research papers, share innovative practices, and explore new perspectives that support sustainable development, advanced technologies, and national progress.

Through keynote lectures, research presentations, and academic interactions, the conference seeks to encourage innovative thinking, academic excellence, and solutions for contemporary global challenges, contributing towards the vision of a progressive and sustainable society.

About Theme

In the rapidly evolving global landscape, innovation has become a key driving force for progress and development. The theme "Innovations for a Sustainable and Advanced Future" emphasizes the importance of creative ideas, scientific research, and technological advancements in shaping a better world while maintaining environmental balance and social responsibility. Sustainable development requires solutions that address present challenges such as climate change, resource depletion, economic inequality, and technological transformation without compromising the needs of future generations. This theme encourages interdisciplinary dialogue among scholars, researchers, industry experts, and policymakers to explore innovative approaches across various fields including science, technology, social sciences, commerce, and humanities.

Higher education institutions play a crucial role in fostering innovation and research that contribute to sustainable development goals. Through collaborative research, knowledge sharing, and academic discussions, this theme aims to highlight emerging trends, practical solutions, and transformative ideas that can lead to a more advanced, inclusive, and sustainable future. The conference provides a platform for intellectual exchange and encourages participants to present research that contributes to innovative strategies for building a progressive and sustainable society.

About Society

Shri Shivaji Education Society, Amravati is a prominent educational institution in Central India, with branches extended throughout the Vidarbha region. This institution was founded in 1932 by the educationist Dr. Panjabrao alias Bhausaheb Deshmukh. He established schools, colleges, hostels, and polytechnic institutions for the propagation of education. He dedicated his entire life to this work. Today, the institution runs 24 senior colleges, 54 junior colleges, 75 secondary schools, and 35 hostels. The institution's work in the educational fields includes Agriculture, Arts, Biotechnology, Computer Science, Physical Education, Engineering, Horticulture, Information Technology, Law, Medical, Microbiology, etc. The institute was honoured with the 'Dr. Babasaheb Ambedkar Dalit Mitra Award' in 1993-94, the 'Gadge Maharaj Smriti Award' in 1999-2000, and as the 'Best Management Institute' by the Government of Maharashtra in 2000. Also, the state government has officially taken note of the institute's significant contribution in the educational and cultural fields.

About College

Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati is a distinguished institution of higher education established in 1956; affiliated with Sant Gadge Baba Amravati University and operates under the esteemed Shri Shivaji Education Society. Inspired by the vision of Dr. Panjabrao Deshmukh, India's first Agriculture Minister which renamed to honour Matoshree Vimalabai Deshmukh, the first woman advocate in the Vidarbha region and a pioneer in women's empowerment and education.

Under the dynamic leadership of Principal Dr. Smita Deshmukh, the institution has strengthened its academic excellence and research culture, earning an 'A' Grade with CGPA 3.19 from NAAC in December 2023. With its rich legacy, modern facilities, and commitment to academic excellence, the college continues to nurture responsible citizens and future leaders.

How to Reach

- By Air : Nearest Airport Nagpur (151 km)
