Besides, students progression to the higher studies that is from Under Graduate to Post Graduate seems to be increasing consistently. The feedback from all the stakeholders in this respect are taken and try to take necessary steps accordingly. The Institution took care to measure the attainment the POs and COs and implemented the mechanism as follows:-

3. All the subject teachers prepared Semester-Wise evaluation Reports.
4. College examination committee analyzed evaluation reports of results.

The Institute considered Feedback from the Stakeholders for the attainment of PO and CO. At the end of each semester university conducts examinations; based on the results published by the University the course outcomes are measured .Alumni feedback are conducted which is an important assessment tool to find out level of relevance of the curriculum of goal for specified program and level of attainment with expected skills which is done once in a year. Placement committee took the review of the Students' Progression to Higher Studies and their Placement. Attainment levels are finalized at college level and conveyed to IQAC through College Examination Committee. Five pointer scale is used for analysis. Programme Outcome of Home Science has been attained as the institute has three students in merit list during the Academic session 2017-18and 2018-19 each and two merit students during Academic session 2019-20. Also one merit student in the faculty of Home Science during the Academic session 2020-21and 2021-22 S.G.B. Amravati University, Amravati.
