"Paryavaran sanjivani kagdi pishvi"  
Dt.26<sup>th</sup> Dec.2018

Name of Faculty: Mrs Archana Harne

Department : Textile & Clothing

No.of Participants: 76

Introduction:

Paper bags are commonly used as shopping bags & for packaging of some consumer goods. They carry a wide range of products from groceries, glass bottles, clothing, books, toiletries, electronics and various other goods and can also function as means of transport in day to day activities.

Objectives:

1. To create awareness to stop using plastic bags.
2. To develop skill of making paper bags.
3. To encourage students earn while learn.

Activity Conducted:

The eco friendly paper bags making activity was conducted for college students. Students exhibited their enthusiasm and participation spirit by making a paper bag using newspaper. Through this activity students learnt to nurture nature. From saying no to plastic to refuse, reuse and recycle.

There are 76 students participated in this Intercollegiate workshop.

Outcome:

This activity gave students a chance to show their artistic side. Such type of workshops gave message of environment conservation successfully. Students get knowledge how to make paper bags, which gave them chance earn while learn.

Problems Encountered:

There was not any problem while conducting this workshop.

## Webinar on active listening skill held

**Smrita Deshmukh and others participated in the webinar:**

**Amravati Bureau**  
HITAVADA, Sept 23

INTERNAL Quality Assurance (IQAAC) and the Department of English of Matoshree Mahabai Deshmukh Mahavidyalaya run by Shri Shikoli Education Society Amravati organised one day webinar on

active listening skill.

AFTER paying oral tributes to the founder President and great educationist Dr Parjabirao Deshmukh and his better half Matoshree Vimalabai Deshmukh, Dr Savita Dinkal Thakare Coordinator IQAC and the Head Department of English introduced Principal and presi-

dent of the event Dr Smrita Deshmukh and resource person Dr Varsha Gawande, Head Department of English Babasaheb Ambedkar Mahavidyalaya Amravati.

In her speech, Dr Varsha Gawande explained in a lucid way the importance of listening skills through presentation.

She elaborated on various ways of effective listening and its importance in day to day routine life and while appearing for the interview.

In her presidential speech, Dr Smrita Deshmukh emphasised on active listening.

She reiterated that listening though seems simple if not done properly or actively may lead to errors, ineffective decisions and costly mistakes.

More than 100 students, teachers from other colleges and staff members of the institute participated in the webinar with great enthusiasm and positive feedback.

Dr Savita Thakare compared the event and Assistant Professor Snehal Vidhale, Department of English, proposed a vote of thanks.

Webinar – Non Conventional Renewable Energy sources

In science faculty, Dept of Physics entrepreneurship is a task that requires focused attention to get accomplished. Internal Quality Assurance cell and Department of Physics organized one day webinar on "Non Conventional Renewable Energy sources" on Zoom platform on 27 September 2022.

After paying tributes to the founder, president and Matoshree Vimalabai, Miss Vaishnavi Jagtap introduced the honorable principal and the chairperson of the event Dr. Smita Deshmukh and the resource person Dr. Sandip Waghuley, Department of Physics, Sant Gadge Baba Amravati University, Amravati.

The resource person Dr. Sandip Waghuley, Sir explained uses of non conventional resources like wind, solar, hydro, geothermal resource for future, wise utilization of non renewable natural resources, conserve fossil fuels, using alternate source of energy.

The topic of the webinar attracted the attention and more than 24 students, teachers from other colleges and the staff members of the institution participated in the webinar with the great enthusiasm and positive feedback.

**A step towards "Atmanirbharata" through Home Science education**

Report

A Webinar on "A step towards 'Atmanirbharata' through Home Science education" was organized by NQA and Department of Home Science of Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati, on 07 October 2021 through Zoom app. Dr. Ashwin Meshram of L.A.D. and S.R.P. college Nagpur was the resource person for webinar and our college Principal, Dr. Smita Deshmukh, was the chairperson.

Atmanirbharata is synonym of 'To become self-reliant'. Making use of the skills acquired, one can earn their livelihood through it and become economically self-reliant. This can also play role in the economical development of our country.

Home science education has vast potential to empower one by providing several opportunities to acquire different skills necessary to enter into various occupations.

Dr. Ashwin Meshram, the Resource person, opened up several such outlets before audience through her presentation. She emphasized how all branches of Home Science provide opportunities for self-employment and can make Home Science students job-givers instead of becoming job-seekers. All this idea was well communicated by the resource person. Chairperson of the webinar, Principal Dr. Smita Deshmukh, also lauded the importance of this theme of webinar.

Sadhana Mohod, Asso. Prof. of Dept. of Home Science, anchored the program & also proposed vote of thanks. Feedback link was sent to participants to collect their feedback. The programme was largely attended by teaching staff of our college and other colleges, as well as by non-teaching staff and students.

"Role of e- governance in Higher Education" on 19/ 01/ 2022

---

Electronic Governance (e-Governance) is the use of Information and Communication Technologies (ICT) for the planning, implementation, and monitoring of government programs, projects, and activities. E-Governance is expected to help deliver cost-effective and easy-to-access citizen.

E-Governance helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects of education.

- **Role of e- governance in higher education :**

Rapid growth in the field of education has made e - governance in academic sector a very complex task. The 21<sup>st</sup> century has witnessed tremendous advancements in technology which has led to far-reaching developments in the administrative system. Cost-effective technology combined with the flexibility in learning and administrative activities is essential to enhance efficiency. Computers can be used extensively for educational administration. There are some of the areas where computers can be used for effective educational administration.

- 1) General Administration
- 2) Pay Roll and Financial
- 3) Accounting
- 4) Administration of Student Data
- 5) Inventory Management
- 6) Personnel Records Maintenance
- 7) Library System

Information and Communication Technology (ICT) plays a vital role in supporting powerful, efficient management and administration in education sector. It is specified that technology can be used right from student administration to various resource administration in an education institution.

There are various administrative challenges for Indian education system of the 21<sup>st</sup> century as given below:

- 1) Global and local challenges.
- 2) Universal and individual challenges.
- 3) Competition and equity challenges.
- 4) Extraordinary expansion of knowledge

5) Moreover many studies revealed the need for ICT integration into administrative activities of higher education institutions.

The various ways of introducing technology in education institution administration are as follows:

- 1) Sending e-mail notices and agendas to staff, rather than printing and distributing them.
- 2) Submission of lesson plans through e-mail
- 3) Foster technology growth by asking parents to write e-mail addresses on medical forms.
- 4) Insist that all teachers create a class Web page
- 5) Attend technology conferences, what other teachers are doing to integrate technology to encourage the use of technology in classrooms.
- 6) Admissions through web-enabled services.
- 7) All day-to-day activities of the institution (General Administration)
- 8) Staff administration
- 9) Single Window System for students.

• **E-GOVERNANCE LEADS TO MULTIPLE ADVANTAGES TO HIGHER EDUCATION;**

- 1) It empowers students and parents to gather information regarding any course, college, department of universities, government policies and get involved in the process of decision making.
- 2) E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in universities and institutions.
- 3) E-Governance leads to automation of services, ensuring that information regarding every work of public welfare is easily available to all stakeholders apart from geographic and language barriers.
- 4) This revolutionizes the way governments and College/universities functioning, ensuring much more transparency in their functioning, and thereby eliminating corruption.
- 5) As the information regarding every activity of government is easily available, it would make every university department responsible as they know that every action of theirs is closely monitoring and audited.
- 6) Proper implementation of e-Governance practices make it possible for students and parents to get their work done online thereby sparing themselves of unnecessary hassles of traveling to the respective offices.
- 7) Successful implementation of e-Governance practices offer better delivery of services to students, improved interactions with business and industry, students empowerment, better management, greater convenience, revenue growth, cost reductions etc.

- Objectives of "Teachers and non-teaching staff training workshop on "Role of e- governance in Higher Education":

- 1) To save the time and money in the form of expenditure for hiring instructor, purchasing equipment or other resources.
- 2) To improve productivity, enhance focus and provide better academic results.
- 3) To provide speedy information in institute.
- 4) To improve administrative efficiency and public services in all the aspects of education.
- 5) To improve service delivery in the form of better access to information and quality service to college stake holders.

In Matoshree Vimalabai Deshmukh Mahaidyalaya Amravati, Under Internal Quality Assurance Cell (IQAC) , Department of Physics organized one day "Teachers and non-teaching staff training workshop" on" Role of e- governance in Higher Education on 19/ 01/ 2022. In this work shop -

# Workshop on IPR organised

Amravati Bureau  
AMRAVATI, May 29

DAYLONG workshop was organised by Internal Quality Assurance Cell (IQAC) of Matoshree Vimlabai Deshmukh Mahavidyalaya, Amravati, run by Shri Shivaji Education Society, Amravati, in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM), Government of India, Nagpur on the topic Intellectual Property Rights (IPR)- Patents and Design Filing recently.

The main aim of the workshop was to encouraging knowledge sharing and raising IPR awareness among the faculty, students and scholars.

Pooja Vishal Maulikar, Examiner of Patents and Design (Group a Gazetted Officer) and faculty Drawing and Disbursing Officer and Central Public Information Officer RGNIIPM, Nagpur, was the key speaker.

Dr Smita Deshmukh, Principal Matoshree Vimalabai Deshmukh Mahavidyalaya, presided over the function. Dr

The workshop in progress.

Savita Dinkar Thakare coordinator IQAC and IPR workshop delivered the welcome address and introduced the guests.

Addressing the participants, Pooja Maulikar with the help of power point presentation threw light on different facets of IPR. She also discussed about patents, trademarks, copyright, protection of tangible and intangible property in detail.

She emphasized on why there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy.

During the interactive session participants enthusiastically participated and asked relevant questions. Dr Smita Deshmukh, in her presidential speech, stressed upon the importance of IPR in strengthening the growth of the nation.

Dr Chhaya Vidhale, member IQAC, proposed a vote of thanks. Snehal Vidhale handled the technical side efficiently. Large number of students, faculty members and non-teaching staff participated in the workshop. The certificate of participation were also issued by Indian patent office IPO later.
