IMPORTANCE OF ICT WORK ON MS- Office:-

1) MS Office made carrying out many computer based tasks easier.
2) Microsoft office is a very helpful tool, widely used in home, office and schools to organized information, manage and present information, data and figures.
3) With the help of word we can create document, edit and share documents.
4) With the help of excel we can analyze and visualized data.
5) With the help of power point we can create, collaborate and effectively present ideas.
6) With the help of outlook, we can organize e-mail, co-ordinate schedules and stay up to date with contacts.
7) With the help of Access, we can create custom database and process data and publisher, to print and share professional looking publications.
8) Knowing the basic of MS Office, we can make stand out in job search and practicing 50% of functions in MS Office is enough.
9) MS Office skills will bring the confidence and increase productivity when delivering the responsibilities on the job.
10) With the MS Office training, we can acquire the confidence to use the tools that are provided.
11) MS Office skills significantly increases work efficiency and confidence which with bring sense of job satisfaction at work.

Importance of ICT Workshop on "Net Surfing"

1) Net surfing is important for solving problems in our daily life.
We can find product of interest and buy them without visit to a store.
2) With the net, we can do many things such as shopping for clothes, making friends and getting information.
3) By making friends on the Internet, can know about their experiences, cultures, work and so on.
4) We can get news of correct events instantly on the internet.
5) We can also choose, what we want to know on the web.
6) We can save money in searching news and also save money for buying news papers.

7) The internet makes our life become more convenient & variable.

8) We can watch the movie by downloading the movie, watch videos, listen to music & even play games online.

9) Using a search engine like Google, we can ask virtually any question and find a web page with an answer and information about that question.

10) There are millions of videos on sites like You tube; explaining various topics and even online courses to help teach about many different subject.

11) We can send E-mail to anyone in the world

12) We can chat with anyone in the word.

13) With the help of GPS technology, the internet helps map & direct to almost every places in the world.

14) With the help of internet, we can find the service we need in our location.

15) The internet provides access to our bank account to view the balance, make transaction and send money.

16) We can pay bills electronically.

17) The internet provides easy access to compare prices between companies.

18) Internet is a perfect place to sell most goods.

19) There are many ways to make money online by performing other online services.

IPR Webinar Organized in Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati

REPORT

A day long webinar on Intellectual Property Rights (IPR) organized by Internal Quality Assurance Cell (IQAC) and the Department of English of Matoshree Vimalabai Deshmukh Mahavidyalaya on Friday, 19 March 2021 for the faculty members of the institution.

The Webinar commenced with the oral tributes to the founder President of Shri Shivaji Education Society, Amravati Dr. Panjabrao alias Bhausaheb Deshmukh and his better half late Matoshree Vimalabai Deshmukh. Hon.Principal Dr. Sanyogita S. Deshmukh presided over the event. Dr. Vaishali P. Gudadhe, Professor & Head Library & Information Science SGBAU, Amravati was the Guest Speaker. Dr. Savita D. Thakare, Co-ordinator IQAC, Head Department of English of the institute and the convenor of the Webinar hosted the webinar on Zoom Meeting App.

In the first session on Virtual Webinar Dr. Vaishali P.Gudadhe focussed on some of the relevant types of Intellectual Property Rights. With the help of power point presentation she elaborated Copyrights, Trademarks, Patent, Trade Secrets, Creative commons, Open licencing and Plagiarism. She also stressed on improving the writing skills with regard to research articles and how to access Open Educational Resources (OER).

10) Report of "Teaches and non teaching staff training workshop on "Role of e-governance in higher education on 19/01/2022:

12
52

Matoshree Vimalabai Deshmukh Mahaidyalaya Amravati
Under Internal Quality Assurance Cell (IQAC)
Department of Physics
Departmental Activity: "Teachers and non-teaching staff training workshop on "Role of e- governance in Higher Education" **on 19/ 01/ 2022**

Electronic Governance (e-Governance) is the use of Information and. Communication Technologies (ICT) for the planning, implementation, and monitoring of government programs, projects, and activities. E-Governance is expected to help deliver cost-effective and easy-to-access citizen.
E-Governance helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects of education.

- Role of e- governance in higher education :

Rapid growth in the field of education has made e - governance in academic sector a very complex task. The 21st century has witnessed tremendous advancements in technology which has led to far-reaching developments in the administrative system. Cost-effective technology combined with the flexibility in learning and administrative activities is essential to enhance efficiency. Computers can be used extensively for educational administration.
There are some of the areas where computers can be used for effective educational administration.
1) General Administration
2) Pay Roll and Financial
3) Accounting
4) Administration of Student Data
5) Inventory Management
6) Personnel Records Maintenance
7) Library System
Information and Communication Technology (ICT) plays a vital role in supporting powerful, efficient management and administration in education sector. It is specified that technology can be used right from student administration to various resource administration in an education institution.
There are various administrative challenges for Indian education system of the 21st century as given below:
1) Global and local challenges.
2) Universal and individual challenges.
3) Competition and equity challenges.
4) Extraordinary expansion of knowledge

5) Moreover many studies revealed the need for ICT integration into administrative activities of higher education institutions.

The various ways of introducing technology in education institution administration are as follows:

1) Sending e-mail notices and agendas to staff, rather than printing and distributing them.

2) Submission of lesson plans through e-mail

3) Foster technology growth by asking parents to write e-mail addresses on medical forms.

4) Insist that all teachers create a class Web page

5) Attend technology conferences, what other teachers are doing to integrate technology to encourage the use of technology in classrooms.

6) Admissions through web-enabled services.

7) All day-to-day activities of the institution (General Administration)

8) Staff administration

9) Single Window System for students.

- **E-GOVERNANCE LEADS TO MULTIPLE ADVANTAGES TO HIGHER EDUCATION:**

1) It empowers students and parents to gather information regarding any course, college, department of universities, government policies and get involved in the process of decision making.
2) E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in universities and institutions.
3) E-Governance leads to automation of services, ensuring that information regarding every work of public welfare is easily available to all stakeholders apart from geographic and language barriers.
4) This revolutionizes the way governments and College/universities functioning, ensuring much more transparency in their functioning, and thereby eliminating corruption.
5) As the information regarding every activity of government is easily available, it would make every university department responsible as they know that every action of theirs is closely monitoring and audited.
6) Proper implementation of e-Governance practices make it possible for students and parents to get their work done online thereby sparing themselves of unnecessary hassles of traveling to the respective offices.
7) Successful implementation of e-Governance practices offer better delivery of services to students, improved interactions with business and industry, students empowerment, better management, greater convenience, revenue growth, cost reductions etc.

- Objectives of "Teachers and non-teaching staff training workshop on "Role of e- governance in Higher Education":

1) To save the time and money in the form of expenditure for hiring instructor, purchasing equipment or other resources.
2) To improve productivity, enhance focus and provide better academic results.
3) To provide speedy information in institute.
4) To improve administrative efficiency and public services in all the aspects of education.
5) To improve service delivery in the form of better access to information and quality service to college stake holders.

In Matoshree Vimalabai Deshmukh Mahaidyalaya Amravati, Under Internal Quality Assurance Cell (IQAC) , Department of Physics organized one day "Teachers and non-teaching staff training workshop" on" Role of e- governance in Higher Education on 19/ 01/ 2022. In this work shop -

News of IPR Webinar for teachers on 19/05/2021:

Workshop on IPR organised

Amravati Bureau
AMRAVATI, May 29

DAYLONG workshop was organised by Internal Quality Assurance Cell (IQAC) of Matoshree Vimlabai Deshmukh Mahavidyalaya, Amravati, run by Shri Shivaji Education Society, Amravati, in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM), Government of India, Nagpur on the topic Intellectual Property Rights (IPR)- Patents and Design Filing recently.

The main aim of the workshop was to encouraging knowledge sharing and raising IPR awareness among the faculty, students and scholars.

Pooja Vishal Maulikar, Examiner of Patents and Design (Group a Gazetted Officer) and faculty Drawing and Disbursing Officer and Central Public Information Officer RGNIIPM, Nagpur, was the key speaker.

Dr Smita Deshmukh, Principal Matoshree Vimalabai Deshmukh Mahavidyalaya, presided over the function. Dr Savita Dinkar Thakare coordinator IQAC and IPR workshop delivered the welcome address and introduced the guests.

The workshop in progress.

Addressing the participants, Pooja Maulikar with the help of power point presentation threw light on different facets of IPR. She also discussed about patents, trademarks, copyright, protection of tangible and intangible property in detail.

She emphasized on why there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy.

During the interactive session participants enthusiastically participated and asked relevant questions. Dr Smita Deshmukh, in her presidential speech, stressed upon the importance of IPR in strengthening the growth of the nation.

Dr Chhaya Vidhale, member IQAC, proposed a vote of thanks. Snehal Vidhale handled the technical side efficiently. Large number of students, faculty members and non-teaching staff participated in the workshop. The certificate of participation were also issued by Indian patent office IPO later.

Today, the library is a source of knowledge. It is an important link in the study of students as well as professors.

It is a regular endeavor of the library to make full use of the literature available to the discerning readers in such a source of knowledge.

The most important thing is that college students should develop an affection for reading. To get information about various subjects like our culture, literature, arts and Science, and it is expected that today's students will come forward to the society as cultured and responsible citizens. The main objective of our library is to make the rich storehouse of knowledge open to all through the library.

The library has a reading room for students, book exchange room, librarian's office, reference department, main stack room, and a wide variety of encyclopedias.

Every year there is an increase in books and library advisory committee is also working to make good quality books available in the library. The main objective behind it is to make innovative books available to our readers with the help of the committee.

Today, the library has a collection of 26174 books, including 1565 bibliographies, 16 periodicals and 8 newspapers.

It is a matter of pride that the library and informatics course is implemented in our college under Sankarrao Chavhan Maharashtra Open University, Nashik. Real work and duties are taught in these courses and gold medal are also awarded to students who excel in these courses.

This is a matter of pride for the college.
