**“Tributes to Pulwama Martyrs”**

The activity was conducted on 18 February 2018, by the NSS wing of Matoshree Vimalabai Deshmukh Mahavidyalaya at Khallar Balaji, the village adopted by Institute during NSS special camp.

One of the deadliest terror attack happened on February 14, 2018, when a Jaish suicide bomber attacked CRPF personnel in Pulwama and 40 CRPF personnel were martyred. This evoked strong reaction across the country and everyone condemned the dastardly attack.

To remember the sacrifices of our brave security personnel and to stand shoulder to shoulder with the families of the brave martyrs a programme of Paying tributes to Martyrs was arranged by NSS volunteers along with the local people of Khallar Balaji.

All the local residents along with the NSS volunteers joined the programme and gathered together to pay homage to soldiers by lighting the candles or by holding a diya in their hand. Two-minute silent prayer was also observed.

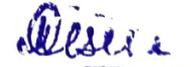

There was deep sadness among all participants for the soldiers.

The activity helped to raise awareness among the students and local residents. They remembered the sacrifices the soldiers make for the safety of our nation. The entire scenario was quite heart touching. 50 inmates of NSS special camp and local residents joined the program.

Civil surgeon of government Hospital Amravati Dr Shyam Sunder Nikam was the chief guest. The Police Patil Shri Shirbhate and Gramsevak Shri Khadse of Khallar Balaji were all present for the program. The program was arranged under the guidance of Principal MVDM Dr Sanyogita Deshmukh and was conducted by NSS Programme officer Dr. Manda Nandurkar and Prof Sadhana Mohod delivered vote of thanks.

#### Bicycle rally

##### Report

A grand bicycle rally was organized on behalf of HP Gas Ministry of Petroleum and Natural Gas Government of India and National Service Scheme Team Matoshree Vimalabai Deshmukh College Amravati.

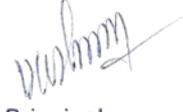

This cycle rally was organized on 19 January 2020. This rally was conducted through the main road of Amravati city. The rally was marching with slogans like ride cycle, get health, ride cycle, avoid pollution, ride cycle and save money, etc. Students of National Service Scheme and youths of different sports clubs of the city participated in this rally. While guiding this bicycle rally, the in-charge professor of National Service Scheme Team, Prof. Dr. Manda Nandurkar said health is the greatest wealth. One who possesses this wealth is truly happy. Cycling is a very good exercise. It gives exercise to the whole body. Leg muscles become stronger. In future there is no knee pain. Cycling also exercises the lower back. Riding a bicycle provides exercise, saves money and improves health.

A developing country with a huge population like India should ride the cycle. In countries like Germany, there is a need to have separate roads for bicycles in India. It is a pleasant and important thing that the petrol pump attendants gave an axe to their legs to encourage cycling. A large number of students, youths and citizens participated in this bicycle rally. The initiative received a spontaneous response from the citizens.

**Meeting of palanquin and community prayer**

Matoshree Vimalabai Deshmukh College National Service Scheme Team and Gurudev Dev Bhakta Mandal organized a grand palanquin meeting and community prayer ceremony. The ceremony was concluded on 17th October 2019 at Sri Sant Gadgebaba Samadhi Mandir premises with great enthusiasm and in an innovative manner.

The very concept of a meeting of palanquins was new. This kind of organization was organized for the first time. Gurudev Seva Mandals brought their palanquins from different villages of Amravati district. In this palanquin Gram Gita and other books on religious, social and economic topics which give direction to social change were kept. The palanquins from different villages gathered at Maharishi Chowk and from there gathered in the courtyard in front of the Gadge Baba Samadhi Temple. After all the palanquins stood in rows in a disciplined manner, singing of bhajans and other songs ended. Palkhi puja was performed by the organizers. After that, the community prayer ceremony was concluded on the grand and ornate dais of the Samadhi Temple. Community prayer is a great gift of Rashtrasant Tukdoji Maharaj to the society. Rashtrasant not only advocated equality of all religions but also insisted on harmony of all religions. He was thinking broadly and acting accordingly that one world religion should be created from all the religions in the world.

At the All Religion Conference in Japan, he argued for the need for one world religion for all. Therefore, community representatives of all religions including primary Hindus, Muslims, Christians, Buddhists, Jains were invited. All of them told the values, principles, practices, worship practices of their respective religions. Finally, the community prayer created by Tukdoji Maharaj for all religions was completed. Dr. Satish Taral as guest on this occasion. Sankedada, Vasanttrao Vandalkar and other guests were present. Introduction Regarding the need for such activities, Prof. Dr. Manda Nandurkar guided in detail. The National Service Scheme Team of Matoshree Vimalabai Deshmukh College worked very hard for this program. It was due to their hard work that the event was completed in grandeur and order.
